

# Portable Frequency Jammer

Model : RCIED-FWO-5B

## General

Our Jammer is a very advanced modular wireless communication jammer and it effectively blocks the signals of radio transmitters used to remotely activate explosive devices and bombs and it is especially designed for portable operation to defend military convoys and EOD/ bomb disposal teams against Remote Controlled Improvised Explosive Devices.

## Specification

- (a) Man pack, Portable Jammer for mobile or static mode
- (b) Automatic fan control system with built-in cooling system
- (c) Range up to 1km under best condition
- (d) Multi Bands/Module Operation
  - Module 1 3 – 30MHz
  - Module 2 30-300MHz
  - Module 3 300-500MHz
  - Module 4 135-175, 290-340, 400-470 MHz
  - Module 5 800-950, 1800-2100 MHz
- (e) 50~100 Watts output Per band
- (f) Power supply from 12/24v DC Battery for mobile and AC Supply for static
- (g) Safety features
  - Reverse polarity, Surge current, Over voltage, Short circuit, Lighting
- (h) Continuous operation minimum 10 hours
- (i) Noise reduction technology and RF Shielding
- (j) Automatic Circuit cut off using Temperature sensor (80°C) in each band
- (k) On/Off Control switch in each band, Multi mode presentation Display
- (l) Omni-directional and flexible alloy Antenna
- (m) Jammer conditions display and day to day update
  - Fully functional, Low power, In-effective, Status
- (n) Wired remote control panel
- (o) Operating Temperature : -20 ~ +60°C
- (p) Storage Temperature : -30 ~ +70°C
- (q) MIL-STD-810E, shock proof, detachable mounting assy

**It is subject to change without notice for better quality and capability**

# Portable Frequency Jammer

Model : RCIED-FWO-5B

## Special Features & Major Components

This portable jammer has a Reverse polarity. Surge current, Over voltage, Short circuit, Lighting protection.  
Stable system performance in all type of weathers.

Jammer for Full range

Jammer for Cellphones

## Applications

- VVIP/VIP/CIP protection
- Military Convoy protection
- EOD/Bomb squads Protection
- Anti-terror units
- Military bases Protection
- Enforcements protection

Vehicle mounted  
for convoy protection
