

# Communication Jammer

Model : RCIED-709-500-BDP

## General

**RCIED-709-500-BDP jammer** is a very advanced modular wireless communication jammer and it effectively blocks the signals of communication/radio transmitters used to remotely activate explosive devices and bombs and it is especially designed for portable jammer to defend military convoys and EOD/ bomb disposal teams against Remote Controlled Improvised Explosive Devices.

## Specification

- (a) Portable communication Jammer for various operation
- (b) Automatic fan control system with dual cooler and dual cooling sensor
- (c) Range up to 500~1000 meters radius from the target under best condition  
Total output more than 1000 watts  
Individual Bands Operation for most frequencies  
To block CDMA and GSM Cellular network  
  
136 - 178 MHz  
410 - 430 MHz  
750 MHz
- (d) 869 – 894 MHz, 935 – 960 MHz  
1805 – 1880 MHz, 1930 – 1990 MHz  
2110 – 2170 MHz  
2400 – 2500 MHz, 2600 MHz  
5150 – 5825 MHz  
**\* It will be fixed in accordance with Customer requirement**
- (e) 50~150 Watt per Band Power outputs
- (f) Dual Power supply (AC/Generator & Rechargeable battery)
- (g) Selectable frequency blocking
- (h) Noise reduction technology with CSS Special material to protect Circuit
- (i) Automatic Circuit cut off using Temperature sensor (80°C) in each band.  
Remote control operation
- (j) On/Off LED Software Control switch in each band
- (k) Built-in Micro controller (NET-823)
- (l) Operating Temperature : -13 ~ +149°F (-25 ~ +65°C)

**It is subject to change without notice for better quality and capability**

# Communication Jammer

Model : RCIED-709-500-BDP

## Special Features & Major Components

It is a portable Communication jammer for both On-site operation  
and  
Mobile operation (it can be located on Vehicle temporary/permanently)

**Simple Control  
Panel in Driver Seat**

**Carrying case for  
portable operation**

**Located on Vehicle  
(Vehicle Not included)**

**One body  
Main system**

## Application

Cellular Network Blocking  
Police/Military Convoy protection  
EOD/Bomb squads Protection  
Anti-terror units  
VIP/CIP protection  
Police/Military bases Protection  
Other Enforcements protection
